## COVID-19 self-assessment

Last updated: September 14, 2020

Version 3.9  
Optional follow-up call program has now ended.

Take this self-assessment if you're worried you were exposed to COVID-19 (novel coronavirus) or have symptoms.

You will get a recommendation on what to do next.

You can also take it on behalf of someone else.

 If this is a medical emergency, call 911. Advise them of your symptoms and if you have recently travelled.
