Skoden: Protection Against "COVID-19"

Education Team:

Elle Froman, BEd, BEd., OCT, MA (Ed)
Clinical Education Coordinator

Rida Khan, MEd, DTM, MPH, CRM, CIC
Infection Prevention & Control Officer

"Skoden: Protection Against COVID-19" is *DIFFERENT* because it covers topics directly related to Six Nations people & community, discusses exactly what cleaning products you need to kill COVID-19, How to work with children to use face coverings, what "going into your shell" (Self-Isolation) looks like; how quickly the virus spreads (i.e. "Exponential Spread"); Risks you should know around travel & visiting"; How overall to "protect yourself from COVID-19" using the Hierarchy of Controls and other ways to "thicken your shell" ("other protections")
